

# Colony Scramble

## HISTORICAL AID:

Between 1607 and 1733 the English established 13 permanent colonies on the Atlantic coast of North America. The colonies were divided into 3 main regions—New England, Middle and Southern.

The colonial period lasted less than 170 years. It began with the settlement of Jamestown in 1607 and ended with the start of the Revolutionary War in 1875.

The 13 colonies and the date they were founded are listed below. *Rewrite* the dates and names of the colonies in the order in which they were founded.
