Date _____

Spinners

Rosita created this spinner for a game she is making up. Her friend, Joni, said it was an unfair spinner because the spinner was more likely to land on one number than on any others.

- Which number is the spinner most likely to land on?
- Why are some numbers more likely to be landed on than other numbers?

Which number is the spinner most likely to land on? _____

Why are some numbers more likely to be landed on than other numbers?
