

# How Much Change?

The Hazelfloff sisters are Halloween witches. Every October they go shopping. Find out what each sister spent and how much change she got back.

**1.** Helga bought a magic potion, a witch spell, a love powder, and a curse.

How much did they cost? \_\_\_\_\_

**2.** She paid with \$70.

How much change did she get? \_\_\_\_\_

**3.** Hilda bought a curse, a hex, a love powder, a lipstick, and a magic spell.

How much did they cost? \_\_\_\_\_

**4.** She paid with \$90.

How much change did she get? \_\_\_\_\_

**5.** Hulda bought a mirror, a magic potion, a brew recipe, a broom, and a hex.

How much did they cost? \_\_\_\_\_

**6.** She paid with \$96.

How much change did she get? \_\_\_\_\_
