There's a Bear!

A **pictograph** uses pictures to show data. Each picture stands for a certain number of people or things. Sometimes the pictures stand for several or many things.

This pictograph shows the number of bears seen in a park.

Bear Sightings

Thursday	🐻	🐻	🐻	🐻	🐻				
Friday	🐻								
Saturday	🐻	🐻	🐻	🐻	🐻	🐻			
Sunday	🐻	🐻	🐻	🐻	🐻	🐻	🐻	🐻	
Monday	🐻	🐻	🐻	🐻					

Each 🐻 = 2 bears

Directions Use the graph to answer these questions.

1. What is the title of the pictograph? _____

2. How many bears does each picture stand for? _____

3. How many bears were seen on Saturday? _____

4. Were more bears seen on Thursday or Monday? _____

5. Use the blank pictograph on page 66 to make your own graph. Give it a title. Write three questions about your graph. Trade questions and graphs with a classmate.
