

Coordinate Graphing

- The students in Room 14 are going on a scavenger hunt at Willow Lake. Each team needs to find the objects below. Give the coordinates where each object can be found.

- | | |
|-------------------------|--------------------|
| 1. _____ acorn | 2. _____ rock |
| 3. _____ frog | 4. _____ butterfly |
| 5. _____ worm | 6. _____ flower |
| 7. _____ lily pad | 8. _____ leaf |
| 9. _____ boat | 10. _____ fish |
| 11. _____ picnic basket | 12. _____ bird |

- After the scavenger hunt, the students will have a picnic. Help them get ready for the picnic by drawing the given shapes at each coordinate.

apple (5, 2)
sandwich (3, 1)

juice box (4, 3)
carrot (4, 1)
