

Don't Fence Me In

Find the perimeter of each field on the farm. Use your ruler to measure to the nearest 1/2".

The farm scene is divided into four numbered fields for perimeter measurement:

- Field 1:** A rectangular field containing 6 sheep.
- Field 2:** A rectangular field containing 3 cows.
- Field 3:** A large rectangular field containing 3 cows.
- Field 4:** A rectangular field containing 3 pigs, with one pig in a pond.

Other farm features include a hill on the left, trees in the center, a pond with a reed in the center, and a hill on the bottom right.
