

Star Attraction

Below are six pieces to a puzzle. When assembled correctly, they form a perfect five-point star. First follow the directions below to personalize your puzzle. Next, cut out each piece. Arrange the pieces to form the star. Then glue the pieces onto construction paper. Trim around the shape. Finally, display your galactic feat on your desk, chair, or in your classroom. You'll be a star attraction!

- On  draw a picture of yourself. Then write your name and a short description of how you look.
- On  write words that tell what kind of person you are.
- On  write things you like to do.
- On  write what you like best about yourself.
- On  write what others like best about you.
- On  write a goal you have for the future.
